art, children's art, neurodiverse

### DESCRIPTION

Step into a world full of light, joy, and imagination! Leon Galleria is a unique collection of images and stories spanning seven years.

Over the years, many people have expressed a wish to make these perceptive works available to as many readers as possible. The result is this multilingual book: no fewer than 22 languages — and pictures are understood by everyone.

For every book sold in 2026, we will donate one euro to autism-supporting activities. Welcome to enjoy the colours and the joy of creation!

### RETAIL / SINGLE COPY ORDERS

Single copies are available to order online.

For orders of 5 copies or more, a 40% discount applies.
